

Training in the 5-Needle Auricular Acupuncture Protocol

Thousands of healthcare professionals in the U.S. and around the world offer 5-needle auricular acupuncture protocol (5NP, also known as acudetox) to promote and support healing from behavioral health concerns. Texas law allows the use of the 5-needle protocol for the treatment of trauma, physical, emotional and psychological stress, and to support recovery from addictions. This tool is simple, portable, non-verbal, and an effective adjunct to any healthcare services.

Medical and behavioral healthcare practitioners can learn the 5NP protocol in 70 hours, divided into didactic and clinical experiences. 5NP Texas covers this in a three-day training with a brief, online follow-up. To complete the process, trainees will do additional homework assignments and conduct supervised 5-needle protocol treatments. 5NP Texas will provide transcripts to the Texas Medical Board for licensure as an Acudetox Specialist (ADS).

In Texas, the following licensed professionals can be trained in this remarkable behavior healthcare tool: **Social Workers, LPCs, LPC-As, RNs, Acupuncturist, LCDCs, LMFTs, LMFT-As, Physicians, Psychologists, Physician's Associates, Occupational Therapists, Occupational Therapist Assistants, Pharmacists and Pharmacy Technicians.**

DATE / TIME: 5NP Texas training is typically conducted Friday, Saturday, and Sunday, 10:00 to 5:00, unless otherwise noted. Trainees are responsible for scheduling supervised clinical experiences and homework assignments and will not be considered eligible for Texas certification until training is completed.

CREDIT: A total of 24 CEU hours are offered including ethics and universal precautions. You must be present during the entire course and submit an evaluation form upon the completion of training to receive CEUs.

COST: \$1000.00 payable by check or credit card to 5NP Texas. Fees include training materials, starter supplies, CEUs and Supervision through licensure and beyond. **A non-refundable deposit of \$500** secures your spot in training. This deposit can be used for a future training if you must cancel.

OBJECTIVES: Participants will learn the 5-needle auricular acupuncture protocol point locations, needling techniques, clean needle / universal precautions, tenets of traditional Chinese medicine, Taoist philosophy of well-being, and clinical strategies for application and integration of ear acupuncture into treatment programs, psychotherapy and other healing work.

LOCATION: Northwest Counseling & Wellness Center, 12335 Hymeadow Drive, Suite 300 Austin, TX 78750. Located off N. Hwy 183 between Anderson Mill and Lake Creek Parkway.

FACILITATORS: 5NP has a number of Registered Trainers in Austin, DFW, and Houston. Please see www.5NPTexas.com for upcoming training dates. **For more information contact:**
